

GETTING STARTED WITH JMSSERVICES

1. Do you have an existing logo?

2. How soon do you wish to get your business online?

3. Have you got a domain for your site (example.com)?

4. Do you have any existing sites you wish for us to take inspirations off for your new website?

5. Do you wish for us to host your website?

**6. Do you have any additional advance functional requirements?
(e.g. booking system, advanced shipment tracking, click and drop integration into your store, fraud prevention, taking online payments [stripe / paypal / 2checkout etc])**

7. Do you wish for us to handle everything from domain registration to complete management of your site?

**8. Do you have any graphic related needs?
(e.g. photoshop, mascot design, photo retouching, animated banners)**

9. If you require additional space.
